DATE 26/02/2023.

To Faith Kenya MISSION.

PROPOSAL REQUEST.

The Main challenges in Maasai Communities are numerous, but the Most Vulnerable groups are Wemens. Their main challenges are the followings;

* FGM - Fenital mutulation among the young girls, especially at early stages of their tenage.tive.
* Walking long distance, searching for their darly breads, to meet their ends.
* Early Pregnancy, among their young girls, which affects their Educations.
* Polygamus families, where one person marry more than five (5) Wemens.

Mitigation Measures which might help these Woman:

* Starting up Small bussiness to support their extended families
* Boarding Schools to support girls, to avoid the FGM's and focus on Education which will Empower them
* Discard those cultural practises which discarage them from persuing their Education

< EMPOWER THE WOMAN IN THE SOCIETY WILL EMPOWER THE WHOLE COMMUNITY > THROUGH SUPPORT FROM THE GLOBOL WORLD.
