Dear Sir/Madam,

## **RE: - REQUEST FOR FOOD**

Olympic primary has got 5000 children. Since Feeding program by **FEED THE CHILDREN** was withdrawn in 2018 we have been facing challenges. Many of the pupils are from needy families in the slums of Kibera. Many pupils don't take lunch and so they lack concentration in class that affects their performance and some of them miss school because they lack food.

We have received books and we appreciate and thank Faith Kenya Mission for the donation, waiting for food donation. Kindly assist.

Yours faithfully

*C. Ochieng*
