- i. Parents: Dad read a statement describing Student 6059130263's side of the incident.. In the MDR, the issue is whether Student 6059130263 brought a gun to school. Does it align to the IDP? Student #1 said Student 6059130263 had asked to follow to the bathroom to show him a gun. Student #1 asked if Student 6059130263 had a THC vape and Student 6059130263 said no. Another student in the classroom, and student said Student 6059130263 showed a gun in a bag and then went to the bathroom. Student #3 said he was shown a gun (only those 2 there). Student #3 said Student 6059130263 had a gun but no adult knew about this. At 3:58 pm the students said they did not know the day, but 6 days later they knew the date. All 3 students told a different gun description. Dad said Student 6059130263 would not be returning to NSH due to the reputation he has now.
- ii. Tracy gave her specifics from her side. The schedule for Student 6059130263 was described. There was a 20 minute gap of time that was not accounted for in the morning.
