Water bottles

Our student population has been working through our water bottle donations quickly this year. Please remind your student(s) they are encouraged to bring in their own reusable water bottles.

Gratitude Day

Please find a message from Mrs. McCarthy about Gratitude day below.

One of our favorite school traditions is the Day of Gratitude celebration. On this day our entire school community sits down together for a delicious lunch, which is followed by a program that focuses on the ways we are inspired and the gratitude we feel for what we have. Families who would like to donate food items, paper goods, or who can volunteer their time to set up or serve should email Ms. McCarthy at cmccarthy@newschoolhigh.org.

Our students will share music, poetry, and their reflections on gratitude and inspiration. There is substantial research about the effect that expressing gratitude has on our mindset, which directly affects our personal and academic achievement. For more information, see:

If you have any questions or concerns please contact Mr. London at ilondon@newschoolhigh.org.

Thank you for your time and attention! We look forward to another exciting week at New School High.
