

# BEDDING DRIVE

**BUILDING BEDS 4 KIDS**, with a mission of providing beds to children who have no bed, will be distributing dozens of beds each month. The children receiving these beds all have different stories, but they share one fact in common, each has no bed. And what is a bed without bedding.

*We need your help to collect bedding to include with our beds. We can use all new children's twin bedding including:*

- ❖ Bed in a Bag Sets (these work the best, but are the costliest)
- ❖ Sheets & Sheet Sets
- ❖ Comforters
- ❖ Blankets
- ❖ Pillows

*Please contact Becky Misuraca at [becky@buildingbeds4kids.org](mailto:becky@buildingbeds4kids.org) to make arrangements for dropping off your tax-deductible donations.*

**OR, IF YOUR ORGANIZATION IS INTERESTED IN SPONSORING A BEDDING DRIVE, BECKY WOULD LOVE TO HELP. PLEASE CONTACT HER.**

All items received are appreciated and will be put to good use, but to stretch dollars as far as possible, please consider making a tax-deductible cash contribution. By watching for clearance sales, **BUILDING BEDS 4 KIDS** has been purchasing bed in a bag sets from Walmart for less than \$30 each, sheet sets from Target for \$9.00 each, and pillows from Walmart for \$2.99 each, and it pays no shipping charges and no sales tax. If you would like to make a contribution, checks should be made payable to "Building Beds 4 Kids" and mailed to 12421 West Eleven Mile Road, Oak Park, MI 48237 and the funds received will be used solely to purchase bedding.
