BUILDING BEDS 4 KIDS was organized in 2019 with a very simple mission: **“TO PROVIDE BEDS TO KIDS WHO HAVE NO BED”**. Our goal was modest: build and distribute 250 beds in 2019, with funding to be provided by a small group of supporters. We are happy to report that, in addition to the funding from our initial supporters, we received some additional unplanned contributions, and we were able to build and distribute **365** beds by the end of the year. Then we went into 2020 with a lot of activity, but Covid hit, and we were limited to building and distributing only **423** additional beds for 2020.

For 2021, Covid 19 has really put a damper on operations, but we have learned how to more safely provide beds and we have increased our goal for 2021: to build and distribute at least **1,200** beds.

If you share our commitment to these kids and would like to help us meet our 2021 goal, please consider one of the following Sponsorship options:

1 \$3,750 Complete Bed Build:

- 25 twin size hand built wooden bed frames,
- 25 new twin size 5” spring mattresses, and
- 25 new twin size bedding sets, including comforters and pillows.

2 \$1,500 Bed Frame Only:

- 30 twin size hand built wooden bed frames provided to bed distribution partners who provide mattresses and bedding.

3 \$1,000 Bedding Only:

- 20 twin size bedding sets including comforters and pillows.

As a Bed Build Sponsor, you determine: (i) the date and time of the Bed Building Day (due to social distancing mandates, actual build dates may have to be limited or deferred), (ii) if you wish to include your own volunteer Bed Build Team, and (iii) if you wish to designate to whom the beds are distributed.

Thank you for your generosity and support
