IN-KIND DONATION POLICY

1. If Sponsor provides goods or services that Saline Main Street would typically pay Ffor with cash, then the donation is represented at 100% of the value. For example, flower arrangements would be an expense for Saline Main Street. \$500 worth of flower arrangements = \$500 sponsorship level. Receipts are required for validation.
2. The Sponsor provides something that does not require a cash outlay, then the donation is 50% of the value. Example – use of room at a restaurant. Typical rental is \$500 = \$250 sponsorship. The sponsor must provide a list of services or products they intend to provide in writing before sponsorship can be considered. The director and sponsor will agree upon the best method of keeping track.
